Collins
Seed
Service Co.

We guarantee our seeds according to the quality purchased to be of the average standard of vitality, and the purchaser is at liberty to confirm this by submitting samples to a reputable analyst at his own expense. Our seeds have been carefully grown, but we give no warranty expressed or implied, as to growth, productiveness or any other matter connected with our seed, nor can we be held in any way responsible for the crop. Our seeds are sold only on these conditions.
